About the Cache la Poudre River National Heritage Area and the Poudre Heritage Alliance: The Cache la Poudre River National Heritage Area (CALA), one of 49 National Heritage Areas, was designated by Congress in 1996 to provide for the interpretation and promotion of the area's unique and significant historical contributions to our nation's heritage water law, waterways, and structures. The Poudre Heritage Alliance is the non-profit managing entity of the CALA and works to share the story of the Poudre River by PROMOTING a variety of historical and cultural opportunities, ENGAGING people in their river corridor, and INSPIRING learning, preservation, and stewardship.
